RESULTS OF INTERVIEW OF LCDR (b) (6) OFFICER IN CHARGE,
HSC-25 DET SIX

The statement that appears on this page (and the following 2 pages, all of which are signed by me) is made freely and voluntarily by me, and without any promises or threats having been made to me or pressure or coercion of any kind having been used against me.

(b) (6)
LCDR (b) (6)

1. LCDR (b) (6), USN Officer in Charge (OIC) HSC-25 Detachment Six was read his UCMJ Article 31b rights. Rights were acknowledged and waived.
2. LCDR (b) (6) checked into HSC-25 on 30 Oct 2018. By his best recollection, he witnessed the "Make Aircrew Great Again" (MAGA) patch during his first week in the command. The MAGA patch was being worn by aircrew in the presence of Commanding Officer, CDR Frank M. Loforti, USN HSC-25 and Executive Officer, CDR (b) (6), USN HSC-25. The approval was verbal within the command and was not witnessed first-hand by the LCDR (b) (6).
3. LCDR (b) (6) believes the patch was created by AWS1 (b) (6), USN sometime between 2016 and 2017 in Guam, while he was a Sailor assigned to HSC-25. The specific manufacturer is unknown, but believed to be located in Guam. LCDR (b) (6) had no knowledge behind the history or verbal command policy until it was provided by LT (b) (6), USN HSC-25 Detachment Six Operations Officer (OPS) on 28 May 2019. When first introduced at the squadron in 2016/2017 (exact date unknown) Commanding Officer, CDR William G. Eastham, USN and Executive Officer, CDR Loforti discussed the MAGA patch approval on flight suits within squadron spaces at a command All Officers Meeting (AOM).
4. According to the LCDR (b) (6), the Detachment leadership was unaware of the POTUS visit to USS WASP prior to their departure and transit to NAF Atsugi Japan on

03 May 2019. At no time does LCDR (b) (6) remember witnessing the patch on any of the detachment aircrew, during their pre-deployment preparations in Japan.

- [illegible]

8. Later in the afternoon of 28 May 2019, when the MAGA patches were collected, AWS1 (b) (6) informed the OIC that the aircrew attendance was his idea. It was also his idea to pass out patches to the aircrew prior to entering the hangar bay.

The foregoing summary is true and correct to the best of my knowledge and belief.

OFFICER IN CHARGE, HSC25 DET SIX

The statement that appears on this page (and the following 01 page, all of which are signed by me) is made freely and voluntarily by me, and without any promises or threats having been made to me or pressure or coercion of any kind having been used against me.

LT (b) (6)

1. LT (b) (6), USN HSC-25 Detachment Six Assistant Officer in Charge (AOIC) was read his UCMJ Article 31b rights. Rights were acknowledged and waived.
2. LT (b) (6) checked into HSC-25 in April 2017. Upon check-in, the Commanding Officer was CDR Ed Weiler, USN HSC-25 and the Executive Officer was CDR Will Eastham, USN HSC-25. By his best recollection he had witnessed the "Make Aircrew Great Again" (MAGA) patch after his first six months in the command. The MAGA patch was being worn and sold by aircrew with the perception of Commanding Officer approval, but no formal flight suit guidance existed.
3. LT (b) (6) believed the patch was created by AWS1 (b) (6), USN HSC-25 sometime between 2016 and 2017 in Guam while he was assigned to HSC-25 from Nov 2014 thru Mar 2019. LT (b) (6) had no knowledge of the MAGA patch history or verbal command policy and was unaware of the manufacturer. LT (b) (6) believes that the current squadron's Commanding Officer, CDR Frank Loforti, USN HSC-25 and Executive Officer, CDR (b) (6), USN HSC-25 had not restricted the wearing of the MAGA patch or issued formal guidance.
4. According to LT (b) (6), the Detachment leadership was unaware of the POTUS visit to USS WASP prior to their departure and transit to NAF Atsugi Japan on 03 May 2019. At no time did LT (b) (6) remember witnessing the patch on any of the Detachment aircrew during their pre-deployment preparations in Japan between the dates of 03 May 2019 and 18 May 2019.

5. LT (b) (6) and the Detachment early crew checked onboard WASP 18 May 2019 and his email account was active on 21 May 2019 (exact time unknown).
6. LT (b) (6) was not aware that any of HSC-25 Sailors would be attending the POTUS event. It was the Detachment's understanding that 500 WASP Sailors had already been pre-selected and his Detachment personnel were not on the list. LT (b) (6) was aware of the Plan of the Day (POD) note pertaining to DOD Directive 1344.1. He was not aware of the WASP 5050 or the all hands email sent by CDR (b) (6) and did not brief POTUS visit information to the Detachment by delegation or directly, because he believed none of their Sailors would be attending the event.
7. At approximately 1300 on 28 May 2019, AWS1 (b) (6), USN HSC-25 informed LT (b) (6) that all nine aircrew had attended the POTUS event and had MAGA patches signed by POTUS during his interaction with the crowd. AWS1 (b) (6) also informed LT (b) (6) that an unknown CDR had informed them that they should not be wearing the MAGA patch and they should remove it. The exact reaction by Detachment aircrew speaking to the unknown CDR was unknown to LT (b) (6).
8. At approximately 1330, LT (b) (6) went to LCDR (b) (6), USN Officer in Charge (OIC) HSC-25 Detachment Six stateroom. LTJG (b) (6), USN HSC-25 Detachment Division Officer (DIVO) were already in LCDR (b) (6) stateroom informing him that nine of their aircrew were at the ceremony wearing the MAGA patch. LT (b) (6) and LTJG (b) (6) informed LCDR (b) (6) that the aircrew were told to remove the patches by an unknown CDR. LCDR (b) (6) instructed LT (b) (6) to have all aircrew involved and the DLCPO report to his stateroom. The crewmen in attendance were as follows: AWS1 (b) (6), USN; AWS1 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS3 (b) (6), USN; AWS3 (b) (6), USN, and Detachment Maintenance Senior Chief (b) (6), USN. When asked by LCDR (b) (6), all of the aircrew were unaware of the POD note or DOD Directive 1344.1. LCDR (b) (6) confiscated all MAGA patches the evening of 28 May 2019 and is currently in possession of all known MAGA patches.

RESULTS OF INTERVIEW OF ATCS (b) (6) USN HSC-25 DET SIX

The statement that appears on this page is made freely and voluntarily by me, and without any promises or threats having been made to me or pressure or coercion of any kind having been used against me.

ATCS (b) (6)
ATCS (b) (6)

1. ATCS (b) (6), USN Detachment Leading Chief Petty Officer (DLCPO) HSC-25 Detachment Six was read his UCMJ Article 31b rights. Rights were acknowledged and waived.
2. ATCS (b) (6) checked into HSC-25 July 18th, 2018. Upon check-in, the Commanding Officer was CDR Will Eastham, USN HSC-25 and the Executive Officer was CDR Frank Loforti, USN HSC-25. He conducts maintenance meetings at 0730 and 1930 daily in support of aircraft maintenance and information from the Chain of Command.
3. ATCS (b) (6) asked members of the chief mess who could attend the POTUS visit event in the hangar bay. He was told by various members of the ship's chief's mess that there were only 500 personnel from ship's company that could attend. Those personnel have already been identified and were prescreened. ATCS (b) (6) was under the impression that sailors that were not already identified and prescreened could not attend the POTUS visit.
4. ATCS (b) (6) instructed his DET to not attend the POTUS Visit during a maintenance meeting prior to the event. ATCS (b) (6) stated that due to attendees being pre-screened and work that needed to be accomplished within the DET, that he did not want anyone from the DET to attend the POTUS visit. ATCS (b) (6) specifically told his DET to stay out of the hangar bay.
5. ATCS (b) (6) was aware of the POD note, the 5050 and all hands e-mail sent by Staff Judge Advocate, COMPHIBRON 11, CDR (b) (6), JAGC, USN on 22 May

2019. ATCS (b) (6) was aware that the required uniform for attending the event was the Navy Working Uniform (NWU) Type III with eight point cover. He did not brief the DET on these matters because he instructed the DET to not attend the event.

6. ATCS (b) (6) has known about the MAGA patch for approximately two years. He has seen the patch at HSC-25's squadron spaces located in Guam and in Norfolk, VA. ATCS (b) (6) stated that the patch is a common patch in the HSC AWS rate community. He does not know who created the patch. He was not aware that the patch was brought on the DET until after the POTUS visit finished. He did not believe that the MAGA patch was worn as a political statement. He believed that the aircrewmen wore the patch because of the patch's play on words. AWS1 (b) (6), USN HSC-25 Detachment Six, told ATCS (b) (6) that he provided the MAGA patches to the other aircrewmen on the day of the event.
7. ATCS (b) (6) was not aware of anyone from the DET wanting to attend the event. He became aware of the aircrewmen attending the event after the event had concluded. ATCS (b) (6) confronted the aircrewmen after then even to re-state that he did not want them to attend the event.
8. When LCDR (b) (6), USN Officer in Charge (OIC) HSC-25 Detachment Six, became aware of the aircrewmen attending the event and wearing the MAGA patches, he ordered ATCS (b) (6) to muster all nine of the aircrewmen to talk to the LCDR (b) (6). The crewmen who reported to LCDR (b) (6) stateroom were as follows: AWS1 (b) (6), USN; AWS1 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS2 (b) (6), USN; AWS3 (b) (6), USN; and AWS3 (b) (6), USN. During this meeting, LCDR (b) (6) read DODD 1344.10 to the aircrewmen and instructed them that wearing the MAGA patch during the POTUS visit could be interpreted as a political statement while wearing a uniform. LCDR (b) (6) asked the aircrewmen who told them that they could attend the event. The aircrewmen stated that LT (b) (6), USN HSC-25 Detachment Six, told the aircrewment that they could attend the event. LCDR (b) (6) collected all of the MAGA patches from the aircrewmen with the intent to not return the patches until after the DET returned to Guam.

The foregoing statement is true and correct to the best of my information and belief.

3. PR2 (b) (6) received a message from AD2 (b) (6), USN HSC-25 Detachment Six via WhatsApp at approximately 0840 on 28 May 2019, while in the HSC-25 maintenance space. The message stated that AD2 (b) (6) and AT3 (b) (6), USN HSC-25 Detachment Six, are in line for the POTUS event and that people are still being let into the event. PR2 (b) (6) departed the HSC-25 maintenance space and went to the Paraloft work center where he informed AWS1 (b) (6), USN HSC-25 Detachment Six of the news that personnel are still being allowed to attend the POTUS event.
4. At approximately 0815, AWS1 (b) (6) made a phone call to HSC-25 berthing to inform the HSC-25 aircrew of the news that they could attend the event. PR2 (b) (6) did not know who AWS1 (b) (6) spoke to. PR2 (b) (6) believed that he saw AWS1 (b) (6) gathered the "Make Aircrew Great Again" patches from a locked metal box used to store patches and t-shirts that were sold to raise money for the Guam Aircrew Association (GAA). This was the first time that PR2 (b) (6) was aware that HSC-25 had the MAGA patched. PR2 (b) (6) and AWS1 (b) (6) headed towards the USS WASP quarter deck to attend the POTUS event.

5. PR2 (b) (6) accompanies the HSC-25 aircrew through the screening process and attends the POTUS speech. PR2 (b) (6) did not have any MAGA patches on his person while attending the event.
6. PR2 (b) (6) did not remember when the aircrewmen put on the patches. PR2 (b) (6) did not witness any interaction with the POTUS and the MAGA patches. PR2 (b) (6) does not recall hearing any negative remarks concerning the MAGA patch while attending the event. PR2 (b) (6) left the hangar bay (where the event was held) prior to the aircrewmen leaving the hangar bay.
7. PR2 (b) (6) was told by word of mouth within the DET that he was not allowed to attend the POTUS visit event. PR2 (b) (6) did not hear that the DET was not allowed to attend the POTUS visit from ATCS (b) (6), USN Detachment Leading Chief Petty Officer (DLCPO) HSC-25 Detachment Six, during the maintenance meetings. PR2 (b) (6) was aware of the POTUS event 5050, but he did not closely read the 5050 as he did not think that he would be able to attend the event. PR2 (b) (6) was not sure if he received the all hands email sent by CPR11 SJA, CDR (b) (6), JAGC, USN.
8. PR2 (b) (6) was not involved with any meetings with the DET chain of command on the day of the POTUS visit concerning the MAGA patch. The first meeting that PR2 attended concerning the MAGA patch was when CDR Frank Loforti, USN HSC-25 Commanding Officer, visited the DET SIX in Okinawa, Japan.

1. AD2 (b) (6), USN HSC-25 Detachment Six was read his UCMJ Article 31b rights. Rights were acknowledged and waived.
2. AD2 (b) (6) checked into HSC-25 in May of 2017. AD2 (b) (6) learned about the Make Aircrew Great Again (MAGA) patch when he checked into the command. He did not know who designed or manufactured the patch. He believed that the patch was created as a joke with no political intention or motive.
3. AD2 (b) (6) was working in the HSC-25 maintenance space the morning of 28 May 2019 when he received a phone call from LT (b) (6), USN HSC-25 Detachment Six at approximately 0600. LT (b) (6) informed AD2 (b) (6) that the HSC-25 crew were authorized to attend the POTUS speech if they desired. LT (b) (6) informed AD2 (b) (6) if the HSC-25 crew wanted to attend the speech they needed to be in NWU Type III's with an eight point cover mustered in the upper vehicle storage area at 0645.
4. AD2 (b) (6) departed the HSC-25 maintenance space immediately and transited to HSC-25 berthing to inform the crew that LT (b) (6) said HSC-25 sailors could attend the POTUS event. LT stated that sailors that wanted to go to the POTUS event needed to be screened prior to the event. AD2 (b) (6) did not remember LT (b) (6) stating that the sailors needed to be in Naval Working Uniform (NWU) Type III with eight point covers. At 0615 AD2 (b) (6) informs AT3 (b) (6), USN HSC-25 in berthing that they can attend the POTUS speech. Most of the other HSC-25 maintenance technicians have departed the berthing area, so AD2 (b) (6) sends a group message (group is all HSC-25 maintenance technicians) via WhatsApp stating that the HSC-25 DET could attend the POTUS event, but would need to be screened by Secret Service.

5. AD2 (b) (6) and AT3 (b) (6) went to the upper vehicle storage area at 0630 and waited to be screened, but got tired of standing and gave up the idea of listening to the speech. After they gave up on listening to the speech, they went back to their maintenance space. No other HSC-25 maintenance technicians attended the POTUS speech. AD2 did not have the MAGA patch with him when he went down to the upper vehicle storage area.

The foregoing statement is true and correct to the best of my information and belief.

POTUS NOTE

DoD Directive 1344.10 prohibits uniformed members on active duty from engaging in partisan political activity. The Hatch Act contains the same prohibitions for federal civilian employees. The following are the 5 Ws of a POTUS visit:

Who: All military and federal civilian personnel embarked on USS WASP.

What: Prohibition on partisan political activity. "Activity" is defined as words, writings, actions, attire, or any other form of partisan political expression, either for or against a particular party or candidate.

When: Before, during, and after the visit.

Where: Aboard USS WASP and on all forms of social media.

Why: This duty rotation constitutes our official capacity. In this capacity we represent the whole of the citizenry of the United States, regardless of ideology. We are subject to the UCMJ and the orders of those appointed over us. The DoD directive and multiple articles of the UCMJ apply. The resident is visiting in his capacity as our Commander in Chief, not as a political candidate.

Any questions regarding permissible activity related to the visit may be directed to CDR (b) (6), JAGC, USN, Staff Judge Advocate.

NCPACE NOTE

We regret to inform you that due to contract restrictions from the Navy College Office, we will be unable to provide the NCPACE IL classes underway after Talisman Saber. Also, see the new NAVADMIN 114/19 explaining the Tuition Assistance Policy Update. Once the new Fiscal Year starts (FY 20) we will be able to apply for NCPACE IL and TA again. Thank you for your eagerness and motivation to continue your education onboard WASP. If you have any questions or concerns do not hesitate to contact AZC (b) (6) (AIMD) or ABHC (b) (6) (AIR).

ELECTRICAL SAFETY CHECK NOTE

Electricians will be in the hanger bay from 0900-1100 and 1300-1500 for electrical safety checks of all personal gear. This is the time for all personnel onboard to get their gear checked and approved for ship board use.

SHIP STORE NOTE

The Ship's Store and Vending will be closed TODAY for end of Accounting Period Inventory and intend to re-open 25 May 2019.

ALCON:

FYSA, DoD Directive 1344.10 prohibits uniformed members on active duty from engaging in partisan political activity. The Directive is punitive which means that it constitutes a lawful order. The Hatch Act effectively states the same for federal civilian employees.

Here are the 5 Ws to keep in mind over the next few days and beyond:

Who: All military and federal civilian personnel embarked aboard USS WASP.

What: Prohibition on partisan political activity whether by words, writings, actions, attire, or any other form of partisan political expression, either for or against a particular party or candidate.

When: Before, during, and after CINC visit.

Where: Aboard USS WASP and on all forms of social media.

Why: We are here in our respective official capacities. As such, we represent the whole of the citizenry of the United States, regardless of individual ideologies. Active duty personnel are subject to the UCMJ. Federal civilian personnel are subject to the Hatch Act. Our nation's highest officer is visiting in his CINC capacity, not as a political candidate.

Thank you for keeping these precepts front of mind. Please email me with any questions regarding permissible activities.

Very respectfully,
Judge

(b) (6),

For your investigation see below. Also, CDR (b) (6) needs to see you, if you haven't heard.

Below is the list of names from HSC-25 that have the All Hands e-mail sent by CDR (b) (6) in their inboxes. This list will not account for anyone who have deleted the e-mail. We are compiling a list of HSC-25 who's accounts were created prior to the e-mail being sent to compare to this one. That process is more time intensive. We do know that the OIC's account was created after the e-mail from CDR (b) (6) was sent.

(b) (6),

That info had been pushed to all DH's during our morning meetings. Anyone who wanted to attend needed to be in the upper V at 0630, in type III's and be prepared for screening prior to entrance into the hangar bay.

It was never a restricted event from WASP leadership.

We came up with a question for you to help us shore up this report.

When you told LT (b) (6) that HSC-25 could attend the POTUS visit, where did you receive that information?

Thanks, have a safe flight back out here.
